

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. I oppose more media consolidation under any circumstances, because such consolidation does not serve the best interest of the public.

On June 2nd, I urge you to retain the current ownership rules. I also urge you to continue to protect the PUBLIC interest, and insure that the citizens of the United States have access to the a diverse, open media, not one dominated by a small cartel.

Thank you for your attention to this important matter.
